

Nucleus Network Education and Melbourne University, School of Enterprise work closer to provide synergies between course curriculum - May 2006

ACRP **GCP Course** and **Certification** are recognised for **credit** at Melbourne University 's School of Enterprise Post Graduate Clinical Research Program. The organisations look forward to building more courses and bridging programs to create more availability to Good Clinical Practise course to students. Any organisation interested to partner with Nucleus Network for education and training courses is encouraged to email Robyn Lichter at: r.lichter@nucleusnetwork.com.au
