

## **Nucleus Network is pleased to announce the appointment of Dr Peter Hodsman as full-time Medical Director – October 2006**

Peter is a senior researcher with extensive experience in drug development. He trained as a specialist physician and spent 5 years as a research academic in the Department of Medicine at the Austin Hospital in Melbourne. He has subsequently worked in senior roles for both large pharmaceutical and small biotechnology companies and has a strong track record in academic and clinical research.

Peter brings enormous experience to Nucleus Network and he adds to our team of internal physicians and our closely associated Specialists from the Alfred Hospital, Prof. Henry Krum, our former Medical Director, remains as a Senior Medical Adviser to Nucleus Network, whilst continuing to pursue his research, teaching and clinical work at Monash University and the Alfred hospital
