

Nucleus Network wins 2008 Governor of Victoria Export Awards

Nucleus Network won the 2008 Governor of Victoria Export awards in the category of Emerging Exporter and a second major award, the Victorian Export Award for Innovation Excellence. This is an outstanding result for everyone at Nucleus Network as everyone has had a part to play in this achievement. Nucleus Network was also a finalist for the Australian Export Awards. Visit <http://www.exportawards.gov.au> for more information.

Andrew Giddy, CEO, Nucleus Network seated 4th from right, front row, with the Governor of Victoria, Professor David de Kretser, A.C. and other finalists.
