

The NEW Medicines Australia Clinical Trial Agreement Template – December 2006

Monday 4th December, over 30 clinical research professionals gathered to discuss the Australian Clinical Trial Agreement Template.

Speakers included Michael Herbert (Cancer Trials Australia), Bill Karanatsios (VMIA), Arthur Rallis (Philips Fox), Lisa Nelson (Nucleus Network), John Morrison (Clinical Network Services) and Dr Carlo Maccaronne (GSK). An overview of the benefits were discussed as well as the impact of the template on current work practices. The speakers and many members of the audience were eager for the template's implementation.
